

## 2009 STALLION SERVICE AUCTION

### ENROLLMENT FORM

I hereby donate to the European Reining Appaloosa Association one breeding to a designated mare by my stallion \_\_\_\_\_ for the year 2009.

This contract is transferable to a mare owner who contributes 60% of the advertised breeding fee to ERAA. ERAA will retain 40% of the breeding fee and will give the remaining 20% to the stallion owner. All charges/fees related to the execution of this contract (semen expedition, mare care, etc.) are the responsibility of the mare owner, and will be discussed between this and the stallion owner. **ERAA is not responsible for any costs, expenses or charges related to the execution of this contract.** This contract is meant to produce a "live foal". A "live foal" is defined as a newborn foal that stands and nurses without assistance for one week after the foaling. A live foal is guaranteed only to the extent of a return breeding (the same or substitute mare) the following year. To take advantage of the guarantee mare owner must immediately reports foal/pregnancy loss both to ERAA and the stallion owner. There will be no refunds unless the stallion dies or is unable to provide semen before pregnancy is confirmed. **ERAA involvement in and responsibility for the stallion service auction terminates upon the transfer of the breeding to the mare owner.** ERAA recommends all stallion owners to provide the mare owner a detailed breeding contract and mare owners to responsibly fulfil it.
